## Coloring Contest Update

We received a lot of entries for the fall coloring contest, so be sure to look for your entry on our website at [www.fecuiowa.org](http://www.fecuiowa.org) in the next few weeks! Winners in each age category will have \$10 deposited into their FECU account.

We also have another contest just around the corner! Submit your favorite holiday picture to any FECU branch between Dec. 1 and Jan. 31, and you could win \$10! Plus, all entries will be posted on our website in mid-February.

Good luck everyone! **K**

## Plan To Use Your Holiday Money Wisely...

That time of year is coming when friends and relatives may choose to give you money as a gift. Although you can spend it on something you want, if mom or dad says that's okay, maybe you should think about saving some for later.

We suggest you create three jars to get you in the habit of saving, spending, and sharing.

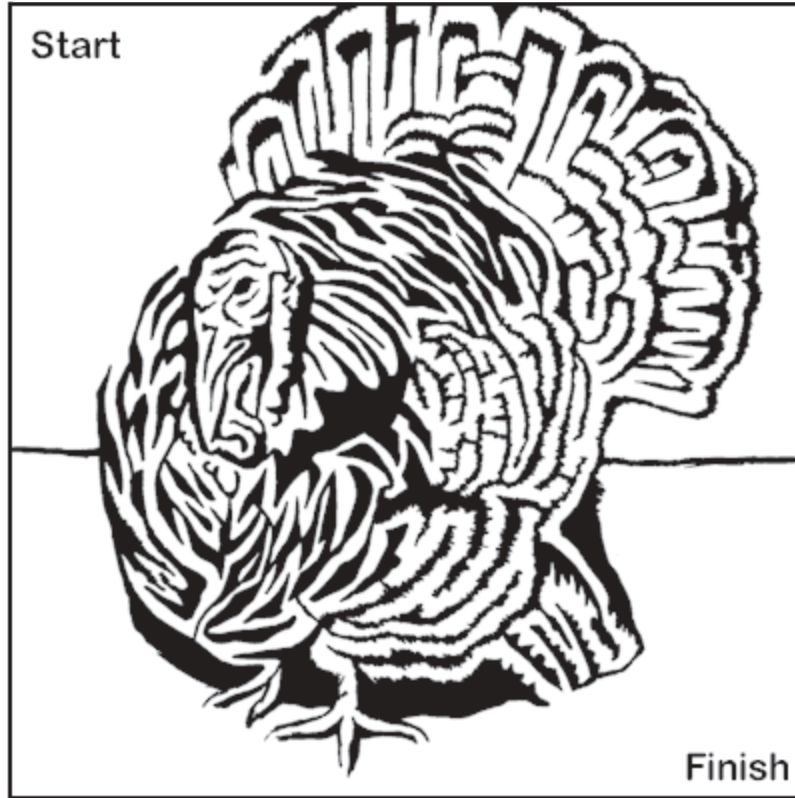

1) Save: You should save 10% of any money that you earn, just in case you need it later.

2) Share: It's good to share another 10% of your money with others. Save it up and do something special to help someone in need.

3) Spend: Use the remaining 80% to spend on things you want or need. Have fun knowing that you've made a smart choice! **K**

Hey kids -- See if you can find your way through this turkey maze! Good luck!
